CROWD CONTROL
And
STUDENT LEADER
JOB DESCRIPTION

- Every Week Every Other Week Once A Month

The Crowd Control team is dedicated to the mission' of The Chapel and its' Children's Ministry. If you have no experience, but love kids, this ministry is just for you! Your purpose is to combine first impression responsibilities with caring for children during our large group elementary program. You will be welcoming kids into the large group room, play table games with them, and show them where to sit when the program begins. You will be assigned a group of kids to sit with during the program. You need to sing when kids sing and model to them how to be quiet and listen during the teaching time.

After you fill out a ministry volunteer application, you will be paired up with an experienced volunteer who will guide and mentor you while providing on the job training. You may wish to "shadow" a volunteer in many areas of children's ministry until you find the right fit. If your right fit is on the crowd control team, you will then be assigned to a Service Coordinator who will be your mentor and ensure that you are properly equipped. You must be in the 6th grade or older to serve.
